

THE ALL NEW

# MG E-ZS

YOUR NEW FULLY ELECTRIC SUV

**DRIVE**

CAR OF THE YEAR 2021

BEST  
OVERALL VALUE

# ELECTRIC FOR EVERYONE

The new MG **E-ZS** is the family friendly electric car, designed for those who want all the advantages of a zero emissions vehicle without compromising on practicality or style.

Powered by a 44.5kWh, liquid-cooled, lithium-ion battery, delivering 353Nm of instant torque and with 145 HP of power, you'll experience true electric acceleration, and can enjoy a driving range of up to 300 kilometres from a single charge\*.

Charging the new MG **E-ZS** could not be simpler thanks to its CCS and Type 2 ports, mounted within the front grille for easy access from either side of the car.

On the go, the MG **E-ZS** can be rapid charged to 80% in just 45 minutes from a DC rapid charging point.

Charging can also be done overnight at home on a 7kW fixed wall charger, taking an estimated 7 hours to fully charge.

Multi-function digital display

8" infotainment touchscreen

Panoramic Stargazer Sunroof

Simple to use automatic transmission with three driving modes

Spacious and comfortable interior

## ALL THE SPACE YOU NEED

Inside, there are beautifully soft materials, and stitched leather effects for that extra luxury. There's also an 8" colour touchscreen with Apple CarPlay™ and Android Auto™ allowing for seamless integration with your own technology. Six speaker surround sound audio, keyless entry and satellite navigation further enhance the level of technology found within this family friendly electric SUV.

As the most technologically advanced MG ever, driver personalisation has been taken to a new level, and can be configured in multiple ways... The **E-ZS** is equipped with three levels of regenerative braking, which extends your driving range, improves the braking efficiency and energy conservation.

There are also three driving modes on the new MG **E-ZS** — Eco, Normal and Sport, allowing the car to fully adapt to your everyday driving needs.

## 100% ELECTRIC

Benefitting from our extensive experience in the manufacture of electric cars and batteries, the **E-ZS** pairs beautiful design with outstanding technology.

Managed by MG's Intelligent Battery Temperature Control system, the battery pack is insulated from external temperature variations, delivering the optimum power and range whatever the weather.

Designed to achieve dynamic handling and chassis feel, the **E-ZS** powertrain has been intelligently packaged to achieve a low centre of gravity.

Housed underneath the passenger compartment as part of the **E-ZS** flat-floor architecture, the balanced distribution of weight keeps the ZS EV planted to the road through the corners. The **E-ZS** delivers 353Nm of instant torque and with 105kW of power (145hp).

## THE NEW STANDARD IN SAFETY

At MG, innovation runs deep.

So, when it comes to safety, we've gone above and beyond in the all new **E-ZS** by incorporating all the latest safety technology.

With 6 SRS airbags and a 5 Star ANCAP rating, the all new MG **E-ZS** is the new standard in safety.
